

Baby Balance Bike

Cute Toddler Bike for 10-24 Months Kids, No Pedal

User Guide

Before assembling this product and/or giving it to a child, please read all instructions. This guide will walk you through the functions, usage, and proper care of the *Baby Balance Bike*. Contact your local dealer or distributor immediately regarding any defects or damage.

MAINTENANCE

All of the screws, clamps, and other hardware and plastic parts on the *Baby Balance Bike* should be inspected periodically to ensure that they are secured properly and not damaged or malfunctioning.

1. The *Baby Balance Bike* can be cleaned using mild household soap or detergent and warm water on a sponge or clean cloth. Always allow to completely air dry before using the balance bike.
2. Lubricate the axle and rotating parts regularly, it will expand the product lifespan.
3. Please regularly check and make sure the screws are not loose and components are not damaged. Remember to replace damaged screws and components.
4. If you need to dismount the bike for transportation or storage, please make reference to manual instruction and use anti-shock materials to protect it.

WARNINGS

To make sure children safe driving, please follow below safety warnings and precautions:

1. Children riding the bicycle should have constant adult supervision. A responsible adult must inspect the bicycle prior to use, to ensure that all parts are fully assembled and tightened to prevent accidents.
2. Always wear proper protective gear such as a helmet, elbow and kneepads as well as appropriate clothing such as a long sleeve shirt, gloves, long pants and closed footwear. **DO NOT** ride barefoot or in sandals.
3. The **Baby Balance Bike** is suitable for children **10-24** months.
4. Keep away from fire.
5. In order to avoid suffocation, please keep the plastic cover (tape) away from the baby.
6. **DO NOT** place any load on the **Baby Balance Bike**, otherwise it will affect the stability of the Balance Bike.
7. **DO NOT** use the **Baby Balance Bike** near stairs, thresholds, and steps. **NEVER** play near heaters and stoves. The use of the bicycle is forbidden on roads used by vehicles and on all public roadways in general.
9. Ride the bicycle only on flat and level ground. **DO NOT** ride the bicycle on slopes. **DO NOT** go down a long descending slope or hill. Please be careful when passing these areas.
10. The child shouldn't spend more than one hour each time in a continuous ride, the maximum load of the bike is 60 lbs. **NEVER** allow more than one child to ride on the bicycle at any time.
11. Adult assembly is required for this product.

BABY BALANCE BIKE ASSEMBLY CONTENTS
