USER GUIDE

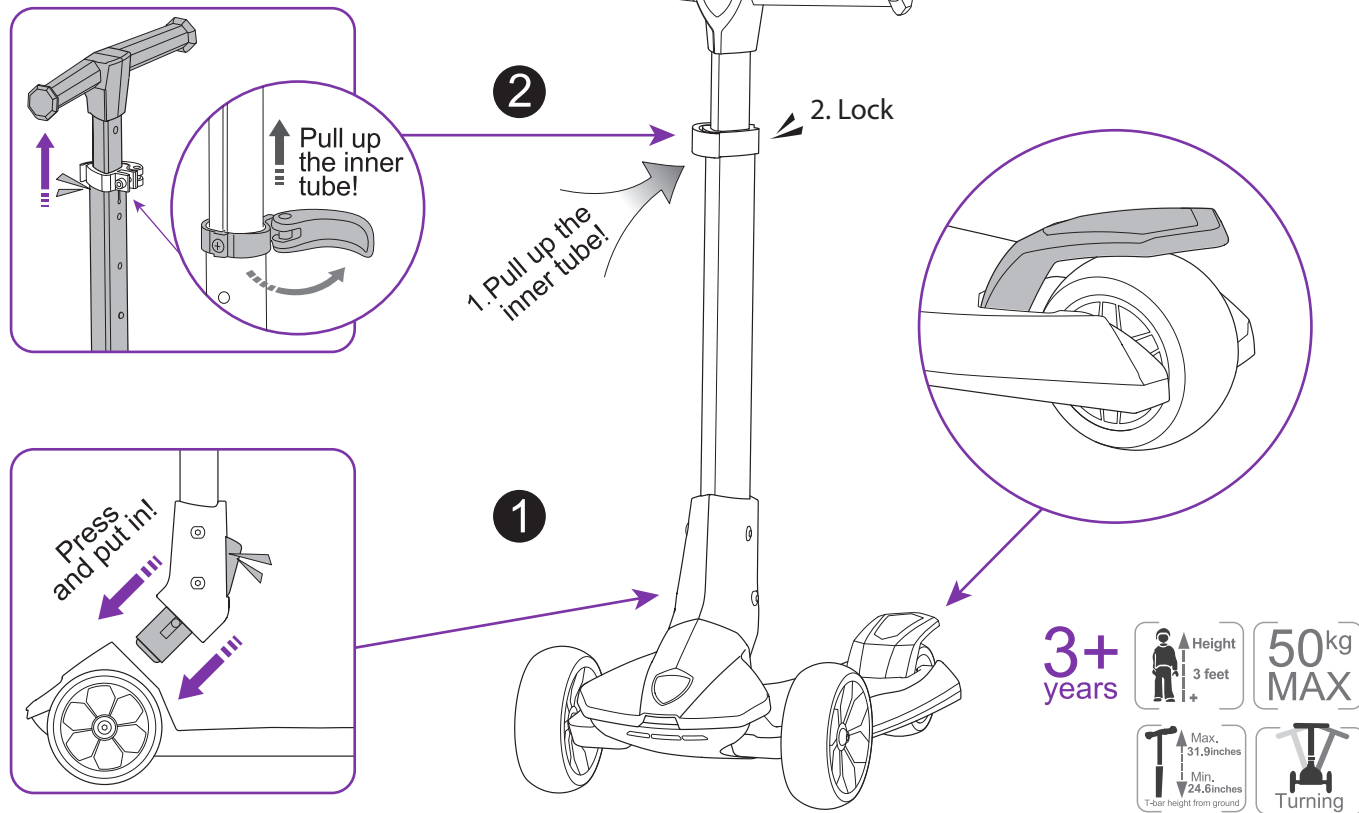

INSTRUCTION

1. **Hurtle 3-Wheel Foldable Kids Scooter** is a sports equipment developed for children. Direct parental supervision is required at all times.
2. Scooters should be carefully installed by a reasonable adult;
3. Never allow more than one child at a time to ride a scooter. 50kg max.
4. Not suitable for children under 36 months;
5. Use the left or right foot to step on the rear wheel baffle to brake;
6. Please do not make any modifications to the scooter;
7. **DO NOT** drag the scooter by bicycle or other transportation;
8. Only use this scooter with fully engaged steering rod;
9. Children should be made aware of all possible riding hazards and correct riding behavior before they take off on the scooter;
10. Always ensure child is wearing proper protective equipment, such as an approved safety helmet. A child should always wear shoes, never ride barefooted or in sandals, and keep shoelaces tied and out of the way of the wheels. Knee pads and elbow pads are recommended.
11. Direct parental supervision is required at all times. Scooters are meant to be used only in controlled environments, free of potential traffic hazards and not on public streets.
12. Avoid streets and surfaces with water, mud, ice, sand, gravel, dirt, leaves and other debris. Wet weather impairs traction, stopping, and visibility.
13. Ride on smooth, paved surfaces without loose debris, such as rocks or gravel, and away from motor vehicles.
14. **Warning!** Not suitable for children under 3 years due to small parts.

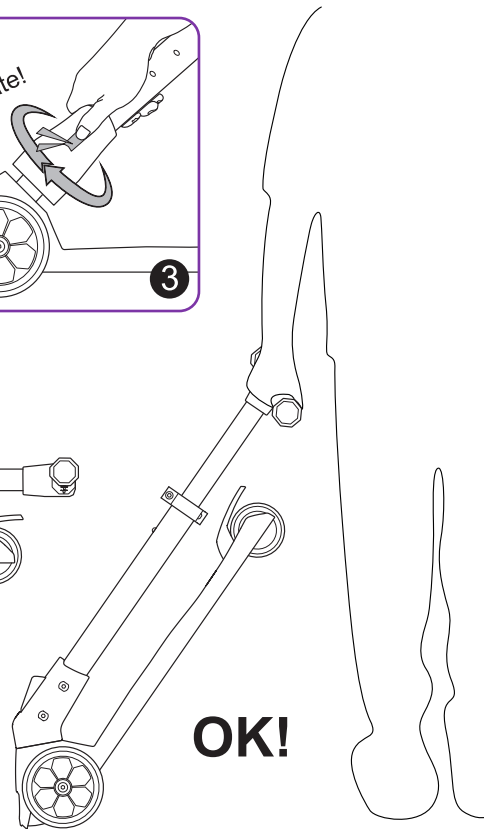

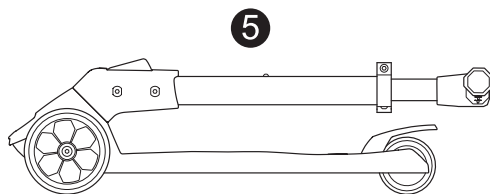

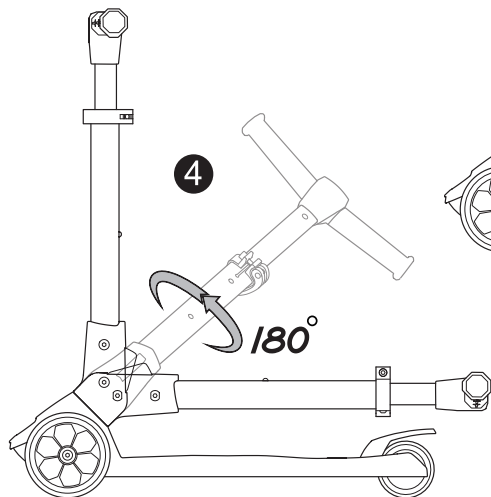

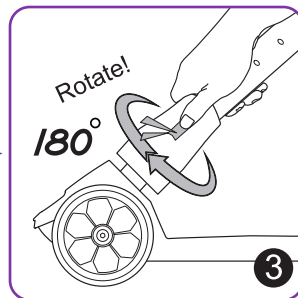

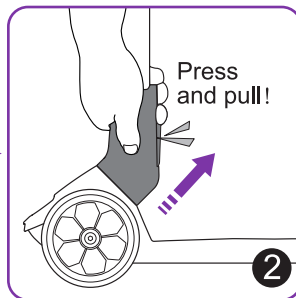

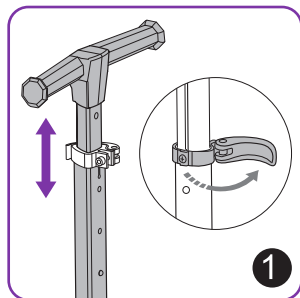

A parent's decision to allow his or her child to ride this product should be based on the child's maturity, skill and ability to follow rules.
