USER GUIDE

IMPORTANT SAFETY INSTRUCTIONS

WARNING: Before going any further, make sure that your amplifier is compatible with your mains electricity supply.

1. Ensure that the **MAINS** (power) switch is set to the **OFF** position.
2. Connect the supplied mains (power) lead into the mains electricity supply.
3. Ensure that the **VOLUME** controls are set to zero.
4. Plug your guitar into an **INPUT** jack socket.
5. Turn the front panel **MAINS** switch to the **ON** position.
6. Turn the **VOLUME** up to your preferred level and your amplifier is ready to play.

Function

- 1-2. **INPUT:** Input for your guitar. Use a good quality guitar cable (i.e. one that's screened/shielded) to help prevent noise, interference and unwanted feedback.
3. **GAIN:** This control sets the operating level of the pre-amp. Simply turn up the Gain control until the required amount of distortion is achieved.
4. **SELECT:** Select the drive channel or normal channel.
5. **TREBLE:** Increasing the Treble will make your sounds brighter and more cutting, turning it down will decrease your tone's edge and make it sound softer as a result.
6. **MIDDLE:** Adjusts the sound level of middle-frequency range.
7. **BASS:** Adjusts the sound level of the low-frequency range.
8. **LENGTH:** This equalization controls reverb length
9. **DEPTH:** This equalization controls reverb depth
10. **VOLUME:** This is the overall level control for the normal channel.

11. **LINE OUT:** This is a 1/4" jack for hooking up external speakersto the amplifier.
12. **PHONE:** This is a 1/4"3-conductor stereo headphone jack for plugging in head phones.
13. **POWER:** The power switch turns your amplifier on and off.

IMPORTANT SAFETY INSTRUCTIONS

1. Read all safety and operating instructions before using this product.
2. All safety and operating instructions should be kept for future reference.
3. Read and understand all warnings listed on the operating instructions.
4. Follow all operating instructions to operate this product.
5. This product should not be used near water, i.e. Bathtub, sink, swimming pool, wet basement, etc.
