

Thanks for choosing this desktop lectern or podium

Open the box you will find two parts, one is the foldable base and one the top panel

Open the foldable base fully and place it on the table or desk

Add the top panel on the base and lock the angle of the base, you may adjust in order to lock them

Now it is ready for you to use. When you want to store it, just take away the top panel and fold back the base

Please don't fall it on the ground as it will damage the product

The color maybe different
