**PYLE**

**EASY TO ACCESS:** It boasts a flip-up door and a simple spring release mechanism for easier use. Switching channels or adjusting the volume is easy; you can either use the head unit's remote or remove the cover to make any changes

**SMOKE COLORED HOUSING:** This durable marine stereo cover has a tinted front panel, so you can still see the controls. It also comes with a UV-resistant housing to keep it from getting overheated

**SUPPORT SHELF FOR RADIO:** The marine stereo/CD player comes with a strong stainless steel mounting for sufficient rigidity. This housing is compatible with dual shaft and DIN size receivers

**DURABLE RADIO COVER:** This universal marine radio cover comes with wires for easy deck or overhead installation. It is also made of heavy duty material to make sure it can be used for a long period of time.

**Universal Marine Stereo Housing:** Fits Din Style or Removable Stereos - Pre-Wired Power (3 Wire), Speaker (8 Wire), RCA (2 Wire), Antenna
