

General

PYLE PLMS30/PLM3 lavalier microphone is an ideal choice for stage performances as it sets you free from holding a microphone and lets you be totally yourself on the stage.

With a small and light tie-clip you can enjoy the sound quality similar to the one delivered by a standard condenser microphone, which makes it perfectly suitable for a variety of applications such as stage performances, dramas, speeches, etc.

Features

High quality back electret condenser capsule
Flat frequency response and superior EMI suppression
Uni-directional polar pattern
Easy to match clothes
Easy to fit foam windscreen

General rules for use

1. Convenient being hidden in clothes somewhere.
2. Aim the microphone toward the corner of the speaker's mouth.
3. Connect the microphone to the appropriate wireless system.
4. Always use the supplied foam windscreen to control breath noise.

Connectors

Connectors:

SHURE type 4pin mini XLR

Standard 3.5mm plug

1/4" Adapter

Accessories

Accessories: windscreen, Tie-Clip
