PYLE

PyleUSA.com

Professional Portable Stand with Second Accessory Tray,
Handy Carrying Bag Included

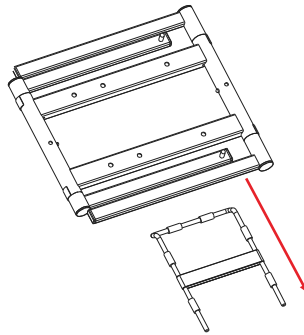

USER MANUAL

This user manual will help you assemble this product safely and quickly, so please spend a few minutes to read through this assembly information.

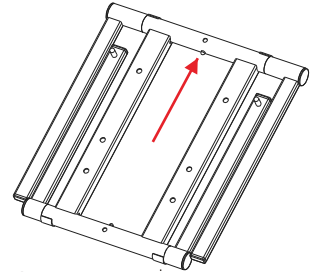

Step 1

Open the carton and take out the stand from the bag.

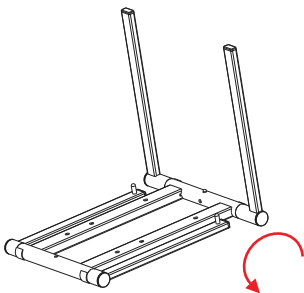

Step 2

You will find the main stand with a second shelf made of solid steel rod.

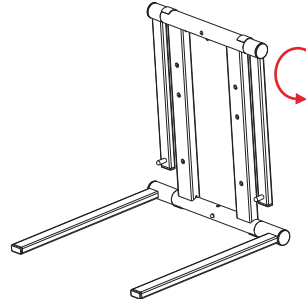

Step 3

Push in the spring pins and open the stand, until the pins come out of the other holes. The legs are then locked into position.

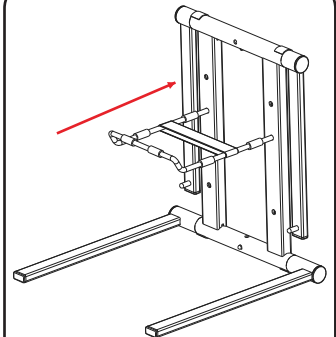

Step 4

Step 5

Do the same with main shelf, until it locks into the open position.

Step 6

Do the same with main shelf, until it locks into the open position.

Step 7

For your laptop and other equipment, built for the professional. Second shelf designed for sound card, hard drives or small mixer. Unique portable design, allows you to fold everything when you are finished and store in the reusable bag.
