Portable Wireless Speaker with Colorful Lights

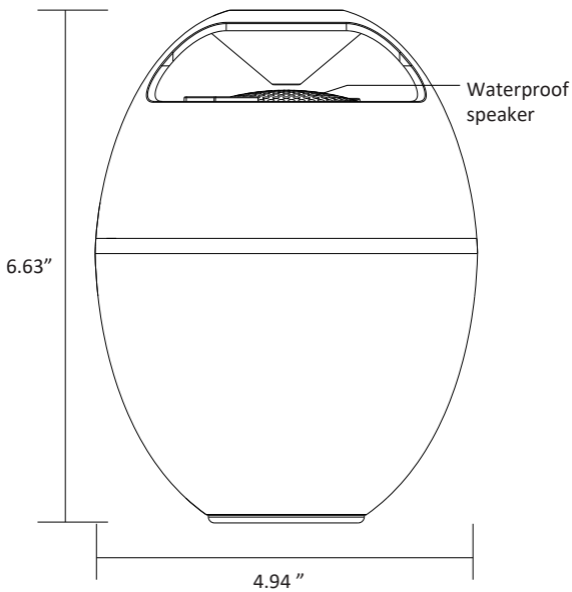

Floating Pool Speaker IP68 Waterproof Speaker (Apple White)

User Manual

PLSPOOL25 Portable Wireless Speaker with Colorful Lights is not only a pool speaker but also a unique night theme pool light. The **PLSPOOL25** Wireless BT speaker provides 8 color changing modes, such as single color, color gradient, color fast flash, color slow flash and color off. When playing music in slow flash mode, the lights flashes follow the beat of the music! This **PLSPOOL25** really makes your night life more colorful and wonderful.
