SAFETY INFORMATION

IMPORTANT SAFETY INSTRUCTIONS- READ CAREFULLY BEFORE USE.

Take note of the following safety information which appears on the back of the TV.

**CAUTION TO PREVENT ELECTRICAL SHOCK, DO NOT REMOVE ANY COVER SCREWS.
NO USER SERVICEABLE PARTS INSIDE, REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.**

This symbol indicates that there are important operating maintenance instructions in the literature accompanying this unit.

This symbol indicates that dangerous voltage constituting a risk of electric shock is present within this unit.

KEEP THESE INSTRUCTIONS

- Do not use this TV near water.
- Clean only with a slightly damp cloth.
- Do not block any ventilation openings.
- Install in accordance with the supplied Quick Start Guide and this User Guide.
- Protect the power chord from being walked on or pinched, particularly at plugs, and the point where it exits from the TV.
- Do not allow the power chord to overhang the edge of a table.
- Unplug this TV during lightening storms or when unused for long periods of time.

WARNING!

TO REDUCE THE RISK OF FIRE OR ELECTRICAL SHOCK, DO NOT EXPOSE THIS TV TO RAIN OR MOISTURE. THE TV MUST NOT BE EXPOSED TO DRIPPING OR SPLASHING AND NO OBJECTS FILLED WITH LIQUIDS SHOULD BE PLACED ON THE TV.

NOTE: *No naked flames such as candles should be placed on the TV.*

SAFETY INFORMATION

This unit has been produced according to all current safety regulations. The following safety tips should safeguard users against careless use and the dangers.

- Although this appliance has been carefully manufactured and rigorously checked prior leaving the factory, as with all electrical appliances it is possible for problems to develop. If you notice smoke, an excessive build up of heat or any other unexpected phenomena, you should disconnect the plug from the mains power socket immediately.
- Ensure that the unit is sufficiently ventilated! Never place next to or underneath curtains!
- The mains plug or appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.
- This set should only be connected to a mains power supply which matches that stated on the label on the rear of the TV- do not attempt to connect it to any other type of supply.
- The socket -outlet must be installed near the equipment and easily accessible.
- To prevent overload, don't share the same mains supply socket with too many other items of equipment.
- Apparatus with Class 1 construction shall be connected to a mains socket outlet with a protective earthing connection.
- Keep away from rodents. Rodents enjoy biting into electric flexes.
- Always hold the plug when pulling out the plug from the mains supply socket.
Do not pull on the flex, the flex can become overloaded and cause short circuit.
- Set up the unit so that no one is able to trip over the flex.
- Do not place heavy items on the flex, which may damage it.
- Take note that the flex cannot be reached and pulled by young children to avoid injury.
- Do not set up the unit near to heat sources.
The casing and the flex could be damaged by the impact of heat.
- The screen is made of plastic and can break if damage is done.
Be careful when collecting sharp edged plastic splinters to avoid injury.
- Avoid placing the unit on any surface that may be subject to vibrations or shocks.
- To protect the unit during a thunderstorm unplug the AC power cable and disconnect the aerial.
Caution: Do not touch the aerial (RF) connector.
- When you leave your home for a long period of time, unplug the AC power cable for safety reasons.
- The unit becomes warm when in operation. Do not place any covers or blankets on the unit in order to prevent overheating. The ventilation holes are not to be blocked. Do not set up near radiators.
Do not place in direct sunshine. When placing on a shelf leave 5cm (2") free space around the whole unit.
- Do not allow water or moisture to enter the TV. Do NOT use in wet or moist areas such as Bathrooms, steamy kitchens or near swimming pools.
- Do not use this unit when moisture condensation may occur.
- Any repairs must be carried out by qualified personnel only.
- Do not open this unit. A non- expert attempting to repair the unit could be dangerous and potentially cause a fire hazard.
- Liquids spilt into the unit can cause serious damage. Switch the set OFF and disconnect the mains power supply, then consult a qualified service person before attempting to use the unit again.

- Do NOT remove the safety covers. There are no useable or serviceable parts inside. You may invalidate the warranty. Qualified personnel must only service this apparatus.
- Do NOT tap or shake the screen, you may damage the internal circuits. Take good care of the remote control, do not drop.
- Never place hot objects or open flame sources on or close to the TV.
- High temperatures can melt plastic and lead to fires.
- To clean the TV use a soft dry cloth. Do NOT use solvents or petrol based fluids. For stubborn stains, you may use a damp cloth with dilute detergent.

HEADPHONE WARNING

Loud music can damage your hearing irreversibly, therefore do not set the volume to a high level when listening through headphones, particularly for lengthy listening periods.

WHERE TO INSTALL

Locate the television away from direct sunlight and strong lights, soft indirect lighting is recommended for comfortable viewing. Use curtains or blinds to prevent direct sunlight falling on the screen.

Place the TV on a sturdy platform of which the surface should be flat and steady.

This will prevent it from falling over. Make sure the television is located in a position where it cannot be pushed or hit by objects, as pressure will break or damage the screen, and so that small objects cannot be inserted into the ventilation slots or openings in the cabinet.

Product Introduction

Front View

The functions of the TV buttons are described below.

▶|| PLAY/PAUSE:

Play/pause the disc playing.

▲ EJECT: Eject the disc.

SOURCE: Press to select the source.

MENU: Press to display the OSD menu, Press again to exit the menu.

CANADA RATING: Restrict movie and TV programs by Canadian Ratings. Only available when "System Lock" is "ON". Press ► button to enter.

RRT SETTING: Display an advance V-Chip rating table for digital channels. The item is available only When current stream has downloadable rating data.

RESET RRT: Reset the RRT to default. The item is available only when current stream has downloadable rating data

US RATING: For the United States, the rating setting basically include the following options: TV, MPAA.

TV: The TV rating compose of two aspects: age-based and content-based.

Age	Define
TV-Y	General Audience
TV-Y7	Parental Guidance Suggested
TV-G	Parents Strongly Cautioned
TV-PG	Retricted
TV-14	No one 17 and under admitted
TV-MA	Adult Audience Only

Note: The content ratings will increase depending on the level of the age-based rating. For example, a program with a TV-PG V (violence) rating may contain moderate violence, while a TV-14 V (violence) rating may contain intense violence. So locking a higher level option will automatically cause locking the options that has more sensitive level.

CHANNEL MENU

Press MENU to enter the main menu, Press ◀ / ▶ button to select. Press ENTER / ▼ to enter. Press MENU again to exit or back to parent menu.
