INSECT KILLER USER MANUAL

Product Code:PSLBZ1

Cordless Insect Zapper, with E27 lamp holder

Instruction Manual, PSLBZ1

The Cordless Insect Zapper utilizes the black light (ultra-violet rays) of the wave length, which is proved to be the most effective lure for light sensitive flying insects, such as flies, moths, mosquitoes, and other flying insects. These insects are electrocuted by the high voltage inner grid. No chemicals, no smell, no sprays, no mess, pollution free and harmless to humans and pets. It is ideal for using in houses, office, factories, food outlets, hospitals and other places.

USAGE GUIDE:

1. Fit to any E27 lamp holder, light on to use
2. Place it at the darkest corner for a better efficiency

WARNINGS:

1. High voltage! ⚡ Do not touch the inner electric grids.
2. Children cannot play with it.
3. Never put metal objects inside the grids while in operation.
4. Keep away from flammables.
5. Check the local voltage before operating.
6. Place it where children cannot reach.
7. The Insect Killer cannot be used in garage, stable or similar places.
8. Clean the collection tray regularly. We suggest that you clean the device monthly or earlier if necessary.
9. Household use only.
10. The appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
11. Keep the appliance and its cord out of reach of children less than 8 years.
12. Children should be supervised to ensure that they do not play with the appliance.

The compulsory cautions: "This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities or lack of experience and knowledge, unless they have been given supervision or instruction concerning use of the appliance by a person responsible for their safety"

DISPOSAL: Do not dispose this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary.

This product must not be disposed together with the domestic waste. This product has to be disposed at an authorized place for recycling of electrical and electronic appliances.

By collecting and recycling waste, you help save natural resources, and make sure the product is disposed in an environmental friendly and healthy way.
