Lymphatic Drainage Tools

serenelife™

USER GUIDE

PRODUCT FEATURE

The massage tools is a completely natural and special technique that stimulates the lymphatic drainage and consequently helps eliminate cellulite, while at the same time destroys fat cells, thereby improving the flow of blood and lymph throughout the body.

Lymphatic Drainage Paddle

A trowel for Maderotherapy is used for draining and facilitating the reconstruction of entrapped toxins and fats. It is used to tighten the tissue. It helps eliminate all excess fat through the lymphatic system. It is recommended, that the massage tool is used together with massage oil.

Whole body Caring

This massage tool can works great on neck, face, back hand, wrist, shoulders and foot. Offers you the most complete massage therapy.

Natural Material

The massage tools are 11.8*5.9 inches and made from high-quality 100% natural wood which will withstand the rigors of heavy use while remaining corrosion-free.

High-Quality

The surface of the board is very smooth after special treatment and will not scratch the skin. We believe that you will like our products. Great gift to your friends and family.
